Adaptability

Fast Learner

PROJECTS

BINGO Fuel: Quickly Finds Nearby Gas Stations

Technologies used: Google APIs, Bulma.io, JavaScript, HTML, CSS

- Github Code
- Deployed Link

Foodie Finds: was created to help people who are looking for restaurants that cater to their specific dietary needs. This app has a minimalist design and a user-friendly interface with a clear navigational structure that makes it easy to use. The user will be able to add their own review for a restaurant they've visited which will be saved to their account dashboard, as well as see other reviews of restaurants based off their filters.

Technologies used: TripAdvisor API, JavaScript, Handlebars, HTML, CSS

- Github Code
- Deployed Link
